

Growing Up in Ireland

National Longitudinal
Study of Children

Are you 9 years old?

Growing Up
in Ireland

is a very
special
project

to find out
all about
children

If you are 9 years old you might be asked to take part in a very special project called Growing Up in Ireland.

The project has been set up by the Government to find out all about what it's like to grow up in Ireland today.

It is a really important project and will help the Government to make life better for all children and families in Ireland.
