GROWING UP IN IRELAND
STRICTLY CONFIDENTIAL

INFANT COHORT AT 9 YEARS

SECONDARY CAREGIVER QUESTIONNAIRE

GROUP   HOUSEHOLD   CHILD NUMBER

INTERVIEWER NAME ________________________ INTERVIEWER NO: ____________

DATE: _____dd_____mm_____yy

About 4 years have passed since we visited you and your family, when <child> was 5 years of age. We would like to interview the parents/guardians of <child> as well as <child> him/herself. The whole interview with the parents/guardians and child will take about ____ minutes to complete [INTERVIEWER: ADJUST AS APPROPRIATE FOR YOU IN THE FIELD].

As with the previous interviews, all the information given to a Growing Up in Ireland interviewer in the course of the survey is treated in the strictest confidence and will not be provided to anyone in a manner which would allow it to be associated with you or your family. However, if the interviewer observes something or is told something other than in answer to direct survey questions which causes them or the people running the Study to have serious concerns for the welfare of a child or other vulnerable person, they may have to tell someone who can help.

Growing Up in Ireland is a Government study which is almost wholly funded by the Department of Children and Youth Affairs, in association with the Central Statistics Office. A contribution in support of the study is also being provided by The Atlantic Philanthropies.

The Department of Children and Youth Affairs is overseeing and managing the study, which is being carried out by a group of independent researchers led by the Economic & Social Research Institute (ESRI) and Trinity College Dublin.
